BODY OIL

LÍKAMI OLÍU

sesam – avocado

100 ml | 3,4 fl.oz

GROUP

BATH & BODY BB | 21100

PRODUCT

This Body Oil (Likami Olíu) is an energizing and nourishing body oil for normal to dry skin with almond oil, avocado and argan oil that nourishes and moisturizes the skin. Sesame and avocado oil is used for its stimulating, relaxing and warming effects. It also has antioxidant properties preventing the appearance of signs of aging on the skin. Camellia oil penetrates and nourishes the skin quickly and macadamia nut oil heals and protects the skin and preserves moisture.

BEAUTY BENEFITS

Body Oil (Likami Olíu) is a grounding and detoxifying blend for all skin types. It is a multi-tasker besides soak, moisturizer and massage: use it as oil cleanser, make a hair pack to hydrate dry strands, moisturize dry hands and cracked cuticles.

APPLICATION

Massage into skin as a daily moisturizer to soften and smooth the skin. Apply while skin is still hydrated after bathing or full body mist of Facial toner (Andlitsvatn) to lock in moisture. Use this pure oil as a hair treatment, a body oil or for removing make-up.

BOTANICAL ACTIVES

Avocado oil (*Persea Gratissima*):

It is rich in natural oil, minerals, protein and vitamins A, B, D, E, H, K, PP. It has special qualities penetration and maintenance of the skin by acting against dryness and aging.

Sweet almond oil (*Prunus amygdalus dulcis*):

Sweet almond oil has emollient, softening and moisturizing properties. Sweet almonds are known to have a demulcent effect. Topical application acts favoring tonicity and elasticity of the skin.

Macadamia oil (*Macadamia Ternifolia*):

Macadamia oil is a light, no feeling-fat oil that is fast absorbed by the skin. It has softening and soothing properties, is rich in antioxidants which helps to prevent the signs of aging of the skin.

Sesame oil (*Sesamum indicum*):

Sesame oil has antioxidant properties that prevent sun effect exerted on the skin.

Camellia oil (*Camellia oleifera*):

Tea seed oil moisturizes the skin and prevents the signs of aging.

Argan oil (*Argania spinosa*):

Rich in Vitamin E and phytosterols, softens and soothes the skin. Phytosterols provide elasticity to the skin by preventing the appearance of wrinkles and stretch marks. It owns 80% of essential fatty acids, has antioxidant properties, preventing premature aging, and also moisturizes, nourishes and regenerates the skin.
