## SHAMPOO

SJAMPÓ

---

**aloe vera – sage**

250 ml | 8,5 fl.oz

GROUP  
BATH & BODY BB | 101250

### PRODUCT

This nourishing Shampoo (Sjampó) for normal hair with aloe vera, betaine from sugar beet, vegetable squalene, macadamia oil and extract of sage. Based on natural ingredients and free from parabens and silicon. Aloe vera softens, cools, calms and stimulates as well as it binds moisture to your hair and scalp. Betaine from sugar beet and macadamia oil repairs and restores the moisture balance in your hair, nourishes and calms your scalp. Vegetable squalene is a nourishing conditioner that replaces silicon. Sage stimulates blood circulation in your scalp and has purifying and moisturizing properties.

### BEAUTY BENEFITS

This gentle nutrient rich formulation leaves hair clean, shiny and supple. It provides manageability and strength without stripping hair or drying the scalp.

### APPLICATION

Apply two pumps to wet hair, massage gently into the hair and scalp, rinse thoroughly. For daily use with all hair types. Follow with conditioner to soften, disentangle and further strengthen the hair.

### BOTANICAL ACTIVES

#### **Aloe vera (Aloe barbadensis):**

Aloe vera is one of the most complete cosmetics actives. With the action of natural nutrients, minerals, vitamins, amino acids and enzymes it stimulates cell regeneration to repair damaged tissues. It is an excellent enhancer in protective preparations. It has revitalizing properties, moisturizing, soothing and refreshing actions.

#### **Betaine (Beta vulgaris):**

Primarily functions as a humectant and anti-irritant in cosmetic products. Improves the production of collagen and hair growth within the hair's key growth cycle.

#### **Vegetable squalene:**

Vegetable squalene helps hydrate and protect the skin, fight wrinkle formation, encourage regeneration of healthy skin cells, and prevent premature aging of the skin. It is also believed to be an essential ingredient in formulations for eczema and psoriasis where relief from dry, itchy and damaged skin is needed. It restores suppleness, creates a moisture barrier, heals chapped and cracked skin.

#### **Macadamia oil (Macadamia Ternifolia):**

Macadamia oil is a light, non-feeling-fat oil that is fast absorbed by the skin. It has softening and soothing properties, is rich in antioxidants which helps to prevent the signs of aging of the skin.

#### **Extract sage (Salvia officinalis):**

Sage extract regulates the amount of fat produced by the sebaceous glands of the skin, leaving it clean after application. It has antibacterial, astringent and calming actions.
