BOTANICAL ACTIVES

Aloe vera (Aloe barbadensis):

Aloe vera is one of the most complete cosmetics actives. With the action of natural nutrients, minerals, vitamins, amino acids and enzymes it stimulates cell regeneration to repair damaged tissues. It is an excellent enhancer in protective preparations. It has revitalizing properties, moisturizing, soothing and refreshing actions.

Olive oil (Olea europaea):

Thanks to its antioxidant, olive oil helps protect the skin against the damaging effects of free radicals, delaying skin aging. It also has moisturizing properties that keep skin elastic, hydrated and smooth.

Coconut oil (Cocos nucifera):

It has antiseptic properties. It gives the skin tonicity, protection, softness and youth thanks to its re-structuring action. It also softens the skin layers leaving skin clean and beautiful.
