PRODUCT

This Facial Essential Serum (Andliti Olíu) is the ultimate youth and beauty booster serum. It's a nourishing and boosting anti-age facial serum that adds moisture, softens, stimulates and revitalizes dry to normal skin. Argan oil stimulates your skin's production of collagen. Rosehip oil stimulates your skin's cell production. Macadamia oil adds lots of antioxidants to enhance skin firmness. Camellia oil provides smoothing and plumping action whilst sweet almond oil acts to deeply nourish and hydrate.

BEAUTY BENEFITS

Facial Essential Serum (Andliti Olíu) helps for a youthful and glowing skin. Skin is deeply nourished, hydrated and natural plumpness is enhanced.

APPLICATION

Massage 3 to 5 drops into cleansed and toned skin. Alternatively, blend with Facial Intensive Hydrating Cream (Andliti Krem) to intensify hydration and extra moisture replenishment. Likami products work great individually and will play well with others. However, we do believe that used daily, the high quality 4-step program will consistently yield the best results. Step 3 of the high quality 4-step program = Boost with Facial Essential Serum (Andliti Olíu).

BOTANICAL ACTIVES

Sweet almond oil (*Prunus amygdalus dulcis*):

Sweet almond oil has emollient, softening and moisturizing properties. Sweet almonds are known to have a demulcent effect. Topical application acts favoring tonicity and elasticity of the skin.

Macadamia oil (*Macadamia Ternifolia*):

Macadamia oil is a light, non-feeling-fat oil that is fast absorbed by the skin. It has softening and soothing properties, is rich in antioxidants which helps to prevent the signs of aging of the skin.

Rosehip oil (*Rosa mosqueta*):

Also called the flower of youth, is an oil rich in polyunsaturated essential fatty acids which gives important properties of tissue regeneration of the skin.

Camellia oil (*Camellia oleifera*):

Tea seed oil moisturizes the skin and prevents the signs of aging.

Argan oil (*Argania spinosa*):

Rich in Vitamin E and phytosterols, softens and soothes the skin. Phytosterols provide elasticity to the skin by preventing the appearance of wrinkles and stretch marks. It owns 80% of essential fatty acids, has antioxidant properties, preventing premature aging, and also moisturizes, nourishes and regenerates the skin.
