PRODUCT

This Eye Cream (Auga Krem) is a luxurious eye cream which provides a glow to the eyes. Formulated to assist in reducing eye puffiness and in smoothing and rejuvenating the eye area to leave the eyes feeling brighter, radiant and youthful. Aloe vera and macadamia oil imparts radiance, enhances de-puffing and smoothing the eye area. Grapeseed oil, sage, st. John's wort and yarrow extracts provide further the de-puffing action and promote the radiance and vitality of the eye area. The balm is rich in anti-oxidant botanicals including hyaluronic acid, aloe vera and burdock which impart radiance, hydration and promote youthful glowing eyes.

BEAUTY BENEFITS

Eye Cream (Auga Krem) provides the ultimate luxurious beauty routine. The eye area becomes ultra-nourished and hydrated. The eyes are given a glow and appear radiant and luminous.

APPLICATION

Use morning and night on a clean skin before any other product. Apply a small amount to the under eye area with a light patting motion. Can also be refrigerated to assist in promoting additional de-puffing action.

BOTANICAL ACTIVES

Aloe vera (*Aloe barbadensis*):

Aloe Vera is one of the most complete cosmetics actives. With the action of natural nutrients, minerals, vitamins, amino acids and enzymes it stimulates cell regeneration to repair damaged tissues. It is an excellent enhancer in protective preparations. It has revitalizing properties, moisturizing, soothing and refreshing actions.

Macadamia oil (*Macadamia Ternifolia*):

Macadamia oil is a light, non-feeling-fat oil that is fast absorbed by the skin. It has softening and soothing properties, is rich in antioxidants which helps to prevent the signs of aging of the skin.

Grapeseed oil (*Vitis vinifera*): Used to combat the signs of skin aging by sequestering action of free radicals and the antioxidant action that provides an abundance of polyphenols. The large amount of essential fatty acids gives the skin flexibility and a more youthful appearance.

Extract of yarrow (*Achillea millefolium*):

A plant with astringent and sebum regulating properties, which helps to oily skin to control the production of sebum, the skin deep cleaning.

St. John's wort extract (*Hypericum perforatum*):

Soothes sensitive skin deep and clean because of its purifying properties.

Burdock Extract (*Arctium majus*):

Water soluble extract with purifying properties, regulates sebum production, is rich in antioxidants which helps reducing the signs of aging of the skin.

Extract Sage (*Salvia officinalis*):

Sage extract regulates the amount of fat produced by the sebaceous glands of the skin, leaving it clean after application.

Hyaluronic acid:

One of the main properties of hyaluronic acid, is its great ability to attract and retain water. Topical application allows rehydrate in depth the epidermis of the treated area; therefore, its appearance is smoother and, also, by increasing its thickness and volume, reduce skin furrows.
